Boys and Girls Club Giving Tree

We have the Boys and Girls Club's Gift Giving Tree up in our lobby!

Each ornament on our tree has an item(s) that a local child or family is in need of. Stop in to grab one and purchase a gift to spread some Holiday Cheer.

1st Quarter 5-Spot Winners

Congratulations to Ms. Martins 4th Grade Class from La Grange, Ms. Jerebs 1st-3rd Grade Class from TAMS, and Ms. Lords Kindergarten Class from Warrens on receiving \$100 for their classrooms by making in-class deposits every Tuesday!

We can't wait to see what the winning classrooms do with their \$100!

Beware! The Grinch may be disguised as a QR code

Online shopping poses a potential threat from cyber thieves who are poised to steal personally identifiable information (PII). This season, scammers have taken it up a notch with the latest trend of committing fraud via QR codes, and holiday shoppers need to beware!

Fraudsters are using QR technology to steal PII, credit card details, banking information and even recent website activity from personal devices. In a matter of minutes from the moment the QR code is scanned, malware is installed on that device and personal data is transferred to the information thief.

While many of the machine-readable optical labels you view are trustworthy, some can be downright dangerous. And if you fall victim to a crook lurking behind a fraudulent QR code, you may feel like the Grinch stole your Christmas.
